Other important information

Key terminology

Daily supply charge	Charge that applies for supplying electricity to your premises for each day of the billing period, regardless of how much electricity you use.
kWh	'kWh' stands for kilowatt hour and is the unit of measurement for your electricity usage charges.

Discounts

Discounts	Discounts apply to the GST exclusive usage and supply charges (off our published Origin Supply usage and supply charges, which can be found on our website), and are only available to customers signing up to this offer from the above effective date.
Guaranteed Discount	A 18% discount on the GST exclusive usage and supply charges listed above will apply. From 1 July 2019, we may vary the discount benefit by giving you 90 days' notice and you accepting the change by not terminating the Agreement during that period.

Price changes

Charges may vary	We may vary the Charges (including the amount, nature and structure of any of the charges) by notice to you at any time. The notice could take the form of a message on your bill and will specify the effective date of the variation.

Origin Value - No Exit Fees (Market Offer)

SA Power Networks Distribution Zone

Contract details	
Cooling off period	10 business days. You may cancel this contract at any time within the cooling off period.
Eligibility	The offer is only available to eligible South Australian concession cardholders. For further information on concession eligibility in South Australia, please contact the Department of Communities and Social Inclusion. The offer set out in this Energy Price Fact Sheet is only available to residential electricity customers who consume less than 160 MWhs/annum of electricity in the relevant distribution area with the necessary metering system/configuration.
Terms and conditions	Offer may not be available in all areas. Call us to find out more. For full terms and conditions, visit www.originenergy.com.au/2889/Terms-and-conditions.

Fees	
Additional fees	For information on additional charges that may apply visit www.originenergy.com.au/2402/Additional-charges.
Distributor charges	You must pay us any charges that your distributor imposes on us in relation to the services performed by your distributor (or any other person) at your supply address.
Disconnection fee	A $40.48 (GST Incl) fee may apply when your property is disconnected (including when you move). This fee is passed through from your distributor and may vary. Please visit your distributor's website to find out the current fee.
Reconnection fee	A $40.48 (GST Incl) fee may apply when your property is reconnected (including when you move). This fee is passed through from your distributor and may vary. Please visit your distributor's website to find out the current fee.
Distributor Cancellation Fee	You may be charged a service order cancellation fee of $40.48 (GST Incl), if you cancel or change your reconnection/disconnection request. This fee is a pass through from your distributor.

Solar feed-in tariffs	
Solar feed-in tariffs	For solar feed-in eligibility please visit http://www.sa.gov.au/topics/water-energy-and-environment/energy-bills/solar-rebates-and-payments or call Origin 1300 791 468. Eligibility for solar feed-in tariffs varies by customer group (as defined on SA Government website), and conditions apply. Customer groups 1, 2 & 3 – 44 cents per kWh exported. Our standard retailer feed-in tariff is – 11 cents per kWh exported which is subject to change at any time. All amounts are GST-inclusive (if any).
