ELECTRICITY

VIC RESIDENTIAL Energy Price Fact Sheet (Effective 1 August 2018)

Origin Saver (Market Offer)

UNITED ENERGY Distribution Zone

Offer details

Contract term	Ongoing contract with 12 months benefit period.
Contract expiry details	Ongoing contract which continues until you or we end it. The benefit period is 12 months. At the end of this term we may extend your current Energy Plan or set you up with a new Energy Plan – but only if we've written to you first and you haven't told us not to. If you don't hear from us, your energy supply will continue under our Agreement without Energy Plan benefits.

Other important information

Key terminology

Daily supply charge	Charge that applies for supplying electricity to your premises for each day of the billing period, regardless of how much electricity you use.
kWh	'kWh' stands for kilowatt hour and is the unit of measurement for your electricity usage charges.
KW	Demand is measured in kilowatts (kW) and is the maximum rate of electricity consumption over a 30 minute billing interval.

Discounts

Discounts	Discounts apply to the GST exclusive usage charges only (off our published Origin Supply usage charges, which can be found on our website), and are only available to customers signing up to this offer from the above effective date.
Pay on time discount	A 20% discount on the GST exclusive usage charges listed above will apply during the benefit period when you pay your bill in full and by the due date. This discount does not apply to Power On program customers (except Power On with direct debit).

Incentives

Bonus Discount	Get a 1% bonus discount on electricity usage charges when, you sign up online to Origin Saver (Market Offer).

Price changes	
Charges may vary	We may vary the Charges (including the amount, nature and structure of any of the charges) by notice to you at any time. The notice could take the form of a message on your bill and will specify the effective date of the variation.

Contract details	
Eligibility	The offer set out in this Energy Price Fact Sheet is only available to customers in the relevant distribution area with the necessary metering system/configuration.
Small Demand Tariff Information	You must opt-in to a demand based network tariff and have a remotely read digital meter at your premises. After opting into this tariff you may be able to opt out however you may not be able to revert to your original tariff. There will be a flat rate tariff available to you, except in some circumstances. The reversion period ends 31 December 2020.
Flexible Pricing Information	By choosing this tariff you may not be able to revert to your original tariff, but there will be a flat rate tariff available to you, except in some circumstances, which may include where you have a solar PV system. If you move retailers you will not be able to revert to your previous tariff. To obtain further information about flexible pricing and your rights please visit http://www.switchon.vic.gov.au/
Cooling off period	10 business days. You may cancel this contract at any time within the cooling off period.
Terms and conditions	Offer may not be available in all areas. Call us to find out more. For full terms and conditions, visit www.originenergy.com.au/2889/Terms-and-conditions.

Fees	
Card payment fee	A 0.55% fee (GST Incl) may apply to payments made by VISA or MasterCard.
Payment processing fee	$2.00 (GST Incl) for over the counter payments at Australia Post.
Additional fees	For information on additional charges that may apply visit www.originenergy.com.au/2402/Additional-charges.
Paper Bill Fee	$1.75 (incl GST) applies for each paper bill.
Distributor charges	You must pay us any charges that your distributor imposes on us in relation to the services performed by your distributor (or any other person) at your supply address.
Disconnection fee	A $51.55 (GST Incl) fee may apply when your property is disconnected (including when you move). This fee is passed through from your distributor and may vary. Please visit your distributor's website to find out the current fee.
Reconnection fee	A $51.55 (GST Incl) fee may apply when your property is reconnected (including when you move). This fee is passed through from your distributor and may vary. Please visit your distributor's website to find out the current fee.

Solar feed-in tariffs	
Solar feed-in tariffs	Origin offers feed-in tariffs. Please contact us on 1300 791 468 to discuss your eligibility and available tariffs. Further information is also available at www.originenergy.com.au/2716/Feed-in-tariffs.
