Daily supply charge: a charge that applies for supplying electricity to your property for each day of the billing period, regardless of how much electricity you use.

kWh: 'kWh' stands for kilowatt hour and is the unit of measurement for your electricity usage.

Conditional discounts	
Pay on Time Discount	25% discount applies to usage charges (ex GST), when paid on time and in full. This discount applies for a 24 month benefit period from the commencement date. After the 24 month benefit period we may offer you another discount at its discretion. Rates are based on Alinta's published Standing Tariffs which can change in accordance with applicable laws and may change during the 24 month benefit period. Our Standing Tariffs can be found on our website at www.alintaenergy.com.au .

Price changes	
Are these prices fixed?	No
Our tariffs are varied from time to time and published on our website. We will give you notice of any variations as soon as practicable and in any event no later than your next bill or in accordance with any applicable laws and codes.
