#### definitions

##### Daily supply charge:

a charge that applies for supplying electricity to your property for each day of the billing period, regardless of how much electricity you use.

##### kWh:

a 'kWh' stands for kilowatt hour and is the unit of measurement for your electricity bill.

#### electricity offer details

conditional discount	conditional discount details
18% discount on your usage and supply charges (net of solar export) when you pay your bill on time	You must agree to receive bills by email, pay by the due date and approved payment methods which are BPAY, direct debit, by telephone or the internet. Discount is off your usage and supply charges, after concessions and solar export applied when you pay your bill on time. Discount applied to next bill. The usage charges for solar 2 are the same as the amaysim <a href="#">Standing offer (/energy/energy-price-fact-sheets/citipower/electricity-standing/116)</a> and the daily supply charge is the same as the amaysim <a href="#">Standing offer (/energy/energy-price-fact-sheets/citipower/electricity-standing/116)</a> for this distribution area.

#### price variations

These residential tariff(s) can change from time to time, if these do change you will be notified of the change and the effective date of variation on your next bill.
