Daily supply charge: a charge that applies for supplying electricity to your property for each day of the billing period, regardless of how much electricity you use.

kwh: 'kWh' stands for kilowatt hour and is the unit of measurement for your electricity usage charges.

Electricity offer details

Price changes	
Are these prices fixed?	No
Prices may vary in accordance with the terms and conditions. If we do vary your prices, we will provide you with written notice at least 10 business days in advance.	
Electricity key contract features	
Cooling off period	There's a 10 business day cooling off period. This doesn't apply to our Standing Offers, which you'll go onto in certain situations (for example, if you move into a property we supply without notifying us first).

Eligibility criteria	This offer applies to residential customers in QLD (Energex distribution region) and is subject to the meter configuration.
----------------------	---
