Over the counter fee at Australia Post	1.82	2.00

Definitions

Daily supply charge:

a charge that applies for supplying electricity/gas to your premises for each day of the billing period, regardless of how much electricity/gas you use.

kWh:

'kWh' stands for kilowatt hour and is the unit of measurement for your electricity bill.

Contract Detail

Eligibility

You must be a small customer (consuming less than 100 MWh per year) with an applicable meter type and network tariff in Victoria, and must meet our credit requirements.

Billing

We will bill you monthly in arrears

Contract Length

The contract starts when you agree to our offer and continues until you or we end it. We will start selling you electricity after the cooling off period ends and, if we are not already the retailer responsible for the sale of electricity at your premise

How Prices Vary

We may vary your electricity prices or impose additional charges in accordance with the Terms and Conditions. We will notify you in writing if we do.

Cooling Off

If you change your mind, you can cancel within 10 business days after you've received your welcome pack from us.
