Other important information

Key terminology	
Daily supply charge	A charge that applies for supplying electricity to your property for each day of the billing period, regardless of how much electricity you use.
kWh	'kWh' stands for kilowatt hour and is the unit of measurement for your electricity usage.
Price changes	
Charges may vary	We may vary the charges (including the amount, nature and structure of any of the charges) by notice to you at any time. The notice could take the form of a message on your bill and will specify the effective date of the variation.
Contract details	
Cooling off period	You may cancel this contract at any time during the 10 business day cooling off period.
Eligibility	The offer set out in this Energy Price Fact Sheet is only available to residential electricity customers who consume less than 100 MWhs of electricity in the relevant distribution area with the necessary metering system/configuration.
Fees	
Disconnection / reconnection fee	A \$93.19 (GST Incl) fee may apply when your property is disconnected or reconnected (including when you move). This fee is passed through from your distributor and may vary. Please visit your distributor's website to find out the current fee.
Dishonored payment fee	A \$15.00 (GST Incl) fee may apply if your cheque payment is dishonored or reversed.
Over the counter payment fee	\$2.00 (GST Incl) for over the counter payments at Westpac.
Payment processing fee	A 0.6% fee (GST Incl) may apply to bill payments made by VISA or MasterCard.
Distributor charges	You must pay us any charges that your distributor imposes on us in relation to the services performed by your distributor (or any other person) at your supply address.
Paper Bill Fee	\$2.00 (GST Incl) applies for each paper bill.
Smart Meter Fee	\$0.25 /day (GST Incl) per single phase smart meter or \$0.34 /day (GST Incl) per multi phase smart meter.
Solar feed-in tariff	
Solar feed-in tariff	Enova offers 16 cents per kWh exported GST-exclusive (if any). To be eligible for this plan, your solar PV system size must have a net meter installed and have a capacity of 10kW or under. For bills not paid on time, 9 cent per kWh exported applies GST-exclusive (if any).
Optional Green Extras: GreenPower, Community Renewable Energy, Renewable Development Initiative	
100% GreenPower	For an extra \$0.088 per kWh (including GST), 100% of your electricity purchased is matched with electricity from government accredited GreenPower sources.
100% Community Renewable Energy	For an extra \$0.040 per kWh (including GST), 100% of your electricity purchased is matched with electricity from sources such as Enovas' solar customers.
Renewable Development Initiative	For an extra \$2.20 per week (including GST), this contribution is dedicated to the Enova Renewable Energy Initiative to support community energy projects.

You must agree to a monthly payment arrangement, of an agreed amount which is then reconciled against your actual or estimated usage every quarter. Monthly billing may apply if you have a smart meter. Payment of monthly instalments forms part of the pay on time conditions.
