What is EasySave?

Sit back and relax, and get access to these great rates when you auto pay your bill with **direct debit from credit card**. With EasySave, we do not send out paper bills. Instead we **email your bill** to keep costs low. We may also send you SMS information from time to time.

No lock in contracts

Free as a bird. We don't do lock in contracts. It's free to join and free to leave anytime. You have the right to choose the retail that works best for you.

Which rate applies to me?

Single Rate all times:

This tariff consists of a fixed daily charge, and then a flat per kWh energy rate which is the same at all times of the day or night. As such the tariff does not have a different price for peak and off peak. Although "Controlled Load" rates might apply. This tariff is the most common network tariff in Victoria.

Controlled/Dedicated load rates:

These tariffs consist of rates for "time-switch" controlled hot water services, immersion heaters, space heaters and other dedicated loads, generally controlled between 11pm and 7am.

Time Of Use (TOU):

"Time of use" tariff consists of a fixed daily rate, and different per kWh energy rates for peak times and off peak times. The peak times are generally between 7am and 11pm Monday to Friday, and all other times are off peak.

Flexible tariffs:

"Flexible tariffs" consists of a fixed daily rate, and different per kWh energy rates for peak times, off peak times, and "shoulder" times. The peak times are generally between 3pm and 9pm Monday to Friday, off peak times are generally between 10pm and 7am all week, and all other times are shoulder.

How often will I get a bill?

Normally we will bill you on a monthly basis after a meter read or estimation.

Electronic billing

To keep our costs, and the price you pay for power as low as possible, we do not to send out paper bills. Instead we email your bill. We may also send you SMS information from time to time. You can pay via direct debit with your credit card, or from a bank account. GloBird DO NOT charge credit card processing fees and accept Mastercard, Visa, and AMEX.

Variation of tariffs

We may update your tariff from time to time to reflect market changes and or economic factors. In a case where we do need to review and change our pricing tariffs we will notify you in writing prior to any change.
