**Offer details**

Contract term	Ongoing contract with 12 months benefit period.
Contract expiry details	Ongoing contract which continues until you or we end it. The benefit period is 12 months. At the end of this term we may extend your current Energy Plan or set you up with a new Energy Plan – but only if we've written to you first and you haven't told us not to. If you don't hear from us, your energy supply will continue under our Agreement without Energy Plan benefits.

**Other important information****Key terminology**

Daily supply charge	Charge that applies for supplying electricity to your premises for each day of the billing period, regardless of how much electricity you use.
kWh	'kWh' stands for kilowatt hour and is the unit of measurement for your electricity usage charges.

**Discounts**

Discounts	Discounts apply to the GST exclusive usage charges only (off our published Origin Supply usage charges, which can be found on our website), and are only available to customers signing up to this offer from the above effective date.
Pay on time discount	A 13% discount on the GST exclusive usage charges listed above will apply during the benefit period when you pay your bill in full and by the due date. This discount does not apply to Power On program customers (except Power On with direct debit).

**Incentives**

Bonus Discount	Get a 2% bonus discount on electricity usage charges when, you sign up online to Origin Saver (Market Offer).
----------------	---------------------------------------------------------------------------------------------------------------

**Price changes**

Charges may vary	We may vary the Charges (including the amount, nature and structure of any of the charges) by notice to you at any time. The notice could take the form of a message on your bill and will specify the effective date of the variation.

# ELECTRICITY

## NSW RESIDENTIAL Energy Price Fact Sheet

### Origin Saver (Market Offer)

#### AusGrid Distribution Zone

#### Contract details

Cooling off period	10 business days. You may cancel this contract at any time within the cooling off period.
Eligibility	The offer set out in this Energy Price Fact Sheet is only available to residential electricity customers who consume less than 100 MWhs of electricity in the relevant distribution area with the necessary metering system/configuration.
Terms and conditions	Offer may not be available in all areas. Call us to find out more. For full terms and conditions, visit <a href="http://www.originenergy.com.au/2889/Terms-and-conditions">www.originenergy.com.au/2889/Terms-and-conditions</a> .

#### Fees

Card payment fee	A 0.55% fee (GST Incl) may apply to payments made by VISA or MasterCard.
Reconnection fee	A \$11.96 (GST Incl) fee may apply when your property is reconnected (including when you move). This fee is passed through from your distributor and may vary. Please visit your distributor's website to find out the current fee.
Disconnection fee	A \$11.96 (GST Incl) fee may apply when your property is disconnected (including when you move). This fee is passed through from your distributor and may vary. Please visit your distributor's website to find out the current fee.
Additional fees	For information on additional charges that may apply visit <a href="http://www.originenergy.com.au/2402/Additional-charges">www.originenergy.com.au/2402/Additional-charges</a> .
Distributor charges	You must pay us any charges that your distributor imposes on us in relation to the services performed by your distributor (or any other person) at your supply address.

#### Solar feed-in tariffs

Solar feed-in tariffs	Origin offers 8 cents per kWh exported, subject to eligibility. All amounts are GST-inclusive (if any). Our 8 cents per kWh exported is our standard retailer feed-in tariff which is subject to change at any time. For more information, please call Origin 1300 791 468.
