Key terminology Daily supply charge Charge that applies for supplying electricity to your premises for each day of the billing period, regardless of how much electricity you use. kWh 'kWh' stands for kilowatt hour and is the unit of measurement for your electricity usage charges. Discounts Discounts Discounts apply to the GST exclusive usage charges only (off our published Origin Supply usage charges, which can be found on our website), and are only available to customers signing up to this offer from the above effective date. A 13% discount on the GST exclusive usage charges listed above will apply during the benefit period Pay on time discount when you pay your bill in full and by the due date. This discount does not apply to Power On program customers (except Power On with direct debit). Incentives **Bonus Discount** Get a 2% bonus discount on electricity usage charges when, you sign up online to Origin Saver (Market Offer). **Price changes** Charges may vary We may vary the Charges (including the amount, nature and structure of any of the charges) by notice to you at any time. The notice could take the form of a message on your bill and will specify the effective date of the variation.
