Offer details

Contract term	Ongoing contract with 12 or 24 months benefit period.
Contract expiry details	Ongoing contract which continues until you or we end it. The benefit period is 12 or 24 months. At the end of this term we may extend your current Energy Plan or set you up with a new Energy Plan – but only if we've written to you first and you haven't told us not to. If you don't hear from us, your energy supply will continue under our Agreement without Energy Plan benefits.

Other important information

Key terminology

Daily supply charge	Charge that applies for supplying electricity to your premises for each day of the billing period, regardless of how much electricity you use.
kWh	'kWh' stands for kilowatt hour and is the unit of measurement for your electricity usage charges.
Solar Meter Charge	Charge will apply if you have a Solar PV system installed at your premises. This fee is passed through from your distributor and may vary.

Discounts

Discounts	Discounts apply to the GST exclusive usage and supply charges (off our published Origin Supply usage and supply charges, which can be found on our website), and are only available to customers signing up to this offer from the above effective date.
Guaranteed Discount	A 12% discount on the GST exclusive usage and supply charges listed above will apply for the benefit period.

Price changes

Charges may vary	We may vary the Charges (including the amount, nature and structure of any Charges) by notice to you at any time during the benefit period (if any). The notice may be in a message on your next bill and will state the date of the variation. If your Charges increase, we will notify you in writing at least 10 business days prior to the variation taking effect.
