definitions

Daily supply charge:

a charge that applies for supplying electricity to your property for each day of the billing period, regardless of how much electricity you use.

kWh:

a 'kWh' stands for kilowatt hour and is the unit of measurement for your electricity bill.

electricity offer details

conditional discount	conditional discount details
20% discount on your usage and supply standing rate when you pay your electronic bill on time	You must agree to receive bills by email, pay by the due date and approved payment methods which are BPAY, direct debit, by telephone or the internet. Discount is off your usage and supply standing rate and either before or after concessions in accordance with the relevant state concession rules and applied when you pay your electronic bill on time. Discount applied to next bill (except for final bills). <u>Click here for further information on concessions</u> <u>(https://www.amaysim.com.au/help/energy/usage-discounts/concessions/)</u> . The usage charges for electricity 1 are the same as the amaysim Standing offer and the daily supply charge is the same as the amaysim Standing offer for this distribution area.

price variations

These residential tariff(s) can change from time to time, if these do change you will be notified of the change at least 10 business days before the change occurs.

fees	
Connection Fee	You will not be charged Energex's "standard" connection fee unless your property is connected via On The Move. A "standard" connection fee is \$10.98 (GST inclusive)
Disconnection Fee	You will be charged Energex's "standard" disconnection fee of \$8.76 (GST inclusive), when you move out of your property. This fee is passed through from your electricity distributor and is not a amaysim Energy fee.
Reconnection Fee	You will be charged Energex's "standard" reconnection fee of \$10.98 (GST inclusive)
Card Fee	You will be charged a fee of 0.6% (GST inclusive) of the payment amount when paying your bill by card. This charge will appear on your next bill
Late Payment Fee	You will be charged a late payment fee of \$12.00 (amount not subject to GST) if your bill is not paid in full by the due date. This charge will appear on your next bill.
Non-standard Energex Fees	For a full complete list of Energex's fees, please call 13 12 53

additional information

Depending on your meter type you will be billed monthly, either actual meter reads, or, an instalment amount of \$130 (or as otherwise agreed) which is then reconciled against your actual or estimated usage every quarter. Please note a monthly billing option is not available for all meter configurations. See [amaysim.com.au/help/bills-payments-amaysim-energy/monthly-billing/](https://www.amaysim.com.au/help/bills-payments-amaysim-energy/monthly-billing/) for further information.

cooling off period	eligibility
10 business days	This offer applies to a residential customer in the Energex distribution area and may not be available on all metering configurations.
