Offer details

Contract term	Ongoing contract with 12 months benefit period.
Contract expiry details	Ongoing contract which continues until you or we end it. The benefit period is 12 months. At the end of this term we may extend your current Energy Plan or set you up with a new Energy Plan – but only if we've written to you first and you haven't told us not to. If you don't hear from us, your energy supply will continue under our Agreement without Energy Plan benefits. You'll receive our standard retailer feed-in tariff available at the time your benefit period ends as published on our website. You'll receive our standard retailer feed-in tariff available at the time your benefit period ends as published on our website.

ELECTRICITY

SA RESIDENTIAL Energy Price Fact Sheet Solar Boost - No Exit Fees (Market Offer)

SA Power Networks Distribution Zone

Contract details

Cooling off period	10 business days. You may cancel this contract at any time within the cooling off period.
Terms and conditions	Offer may not be available in all areas. Call us to find out more. For full terms and conditions, visit www.originenergy.com.au/2889/Terms-and-conditions .
Eligibility	The offer set out in this Energy Price Fact Sheet is only available to residential electricity customers who consume less than 160 MWh/annum of electricity in the relevant distributor area with the necessary metering system/configuration. To be eligible for this offer your solar PV system must be net metered and must not be larger than 10kW, and you must not be receiving a feed-in tariff under any Government scheme. If you remove your solar PV system from the supply address during the benefit period the offer will continue but you won't receive the feed-in tariff.

Fees

Card payment fee	A 0.55% fee (GST Incl) may apply to payments made by VISA or MasterCard.
Payment processing fee	\$2.00 (GST Incl) for over the counter payments at Australia Post.
Late payment fee	A fee of \$12.00 (GST exempt) may apply if your bill is not paid by the due date. A late payment fee may not apply depending on your circumstances.
Additional fees	For information on additional charges that may apply visit www.originenergy.com.au/2402/Additional-charges .
Paper Bill Fee	\$1.75 (incl GST) applies for each paper bill.
Distributor charges	You must pay us any charges that your distributor imposes on us in relation to the services performed by your distributor (or any other person) at your supply address.
Disconnection fee	A \$40.48 (GST Incl) fee may apply when your property is disconnected (including when you move). This fee is passed through from your distributor and may vary. Please visit your distributor's website to find out the current fee.
Reconnection fee	A \$40.48 (GST Incl) fee may apply when your property is reconnected (including when you move). This fee is passed through from your distributor and may vary. Please visit your distributor's website to find out the current fee.
Distributor Cancellation Fee	You may be charged a service order cancellation fee of \$40.48 (GST Incl), if you cancel or change your reconnection/disconnection request. This fee is a pass through from your distributor.

Solar feed-in tariffs

Solar feed-in tariffs	For the 12 month benefit period you'll receive a total feed-in tariff of 18 cents per kWh for every kWh of electricity exported to the grid. When the benefit period ends you'll receive our standard retailer feed-in tariff available at the time your benefit period ends as published on our website. Origin currently offers a standard retailer feed-in tariff of 11 cents per kWh exported which is subject to change at any time. All amounts are GST-inclusive (if any).
