Electricity offer

Contract Term	Ongoing contract with benefit period.
Contract expiry details	Ongoing contract which continues until it is ended in accordance with our Contract Terms and Conditions. The benefit period is for 12 months. The contract starts from the day you accept our offer. The benefit period for this energy plan starts on the day we start selling you energy. We will let you know before your benefit period expires what your options are. We may offer you another energy plan or a replacement contract. If you don't accept another offer from us before your initial energy plan expires, your rates and charges will become the same as our then current standing offer prices.
Bill frequency	Every 3 months

Electricity pricing information

Peak Any time	Price (exc. GST)	Price (incl. GST)
First 1000 kWh quarterly	27.96 cents per kWh	30.756 cents per kWh
Second 750 kWh quarterly	27.05 cents per kWh	29.755 cents per kWh
Remaining Usage	25.35 cents per kWh	27.885 cents per kWh
Daily Supply Charge	78.60 cents per day	86.460 cents per day

Daily supply charge: a charge that applies for supplying electricity to your premises for each day of the billing period, regardless of how much electricity you use.

kWh: 'kWh' stands for kilowatt hour and is the unit of measurement for your electricity usage. Times shown on this offer are Australian Eastern Standard Time.

Conditional Discount	
10% Pay On Time Discount	You will receive a 10% discount off the electricity usage charges (as shown above) for the benefit period when you pay your bills on time.
Electricity key contract features	
Eligibility Criteria	You are not eligible for our offer unless we have market contract rates for residential customers with your meter type in your distribution area. You must meet our credit worthiness and other eligibility criteria. Gas offers are only available if the supply address is connected for gas. You are eligible for this offer if you have Solar. The solar feed in tariff you will receive is based on the distributor's network tariff code. For eligibility please call 13 88 08.
Cooling off-period	10 business days.
Price Changes	We may change your rates if the information we used to set the rates is incorrect, a new meter type is installed at your premises or your distributor changes the network tariff for your premises. We may also change your rates or charges or apply a new charge to reflect actual or expected changes to any of the following costs: environment costs, market costs, metering costs, network costs, costs arising from changes in or under any law, wholesale costs, pass through charges and other costs we incur in connection with the purchase or sale of energy. We may also change your rates or charges or apply a new charge for any other reason. We will give you written notice of changes to your rates and other charges. This notice may be in a message on your bill which you may receive after the effective date of the change. The details around when these changes may occur and the notice we will give you are also outlined in your Contract Terms and Conditions.
