Daily supply charge	2.70 cents per day	2.97 cents per day

Daily supply charge: a charge that applies for supplying electricity to your property for each day of the billing period, regardless of how much electricity you use.
kWh: 'kWh' stands for kilowatt hour and is the unit of measurement for your electricity usage.

Conditional discounts

Pay on Time Discount	28% discount applies to usage charges, when paid on time and in full. This discount applies for a 2 years benefit period from the commencement date. After the 2 years benefit period Alinta Energy may offer you another discount at its discretion. Rates are based on Alinta's published Standing Tariffs which can change in accordance with applicable laws and may change during the 2 years benefit period.
----------------------	--
