| Daily supply charge | 13.50 cents per day | 14.85 cents per day |

Daily supply charge: a charge that applies for supplying electricity to your property for each day of the billing period, regardless of how much electricity you use.
kWh: 'kWh' stands for kilowatt hour and is the unit of measurement for your electricity usage.

Conditional discounts

| | |
|----------------------|--|
| Pay on Time Discount | 27% discount applies to usage charges (ex GST), when paid on time and in full. This discount applies for a 2 year benefit period from the commencement date. After the 2 year benefit period we may offer you another discount at its discretion. Rates are based on Alinta's published Standing Tariffs which can change in accordance with applicable laws and may change during the 2 year benefit period. Our Standing Tariffs can be found on our website at www.alintaenergy.com.au . |
|----------------------|--|

Price changes

| | |
|-------------------------|----|
| Are these prices fixed? | No |
|-------------------------|----|

Our tariffs are varied from time to time and published on our website. We will give you notice of any variations as soon as practicable and in any event no later than your next bill or in accordance with any applicable laws and codes.
