

Offer details

| | |
|-------------------------|--|
| Contract term | Ongoing contract with 12 months benefit period. |
| Contract expiry details | Ongoing contract which continues until you or we end it. The benefit period is 12 months. At the end of this term we may extend your current Energy Plan or set you up with a new Energy Plan – but only if we've written to you first and you haven't told us not to. If you don't hear from us, your energy supply will continue under our Agreement without Energy Plan benefits. |

Other important information

Key terminology

| | |
|---------------------|--|
| Daily supply charge | Charge that applies for supplying electricity to your premises for each day of the billing period, regardless of how much electricity you use. |
| kWh | 'kWh' stands for kilowatt hour and is the unit of measurement for your electricity usage charges. |
| KW | Demand is measured in kilowatts (kW) and is the maximum rate of electricity consumption over a 30 minute billing interval. |

Price changes

| | |
|------------------|---|
| Charges may vary | During the benefit period we will not vary the usage, supply, capacity or demand charges, but may vary all other charges by notice to you. After the benefit period we may vary all components of the Charges by notice to you. This includes varying the amount, nature and structure of any of the charges. The notice may take the form of a message on your next bill and will specify the effective date of the variation. |
