a 'kWh' stands for kilowatt hour and is the unit of measurement for your electricity bill.

#### Electricity Offer Details

Conditional Discount	Conditional Discount Details
34% discount on your usage and supply charges (net of solar export)	You must agree to receive bills by email and pay by the due date using an <a href="#">approved payment method (/bill-info/payment-options/)</a> . Discount is off your usage and supply charges after concessions, credits, solar exports, rebates or fees when you pay your bill on time and is applied to your next bill, excludes final bill. You will not earn a discount when your account is in credit. The usage charges for Click Solar Blaze are the same as the Click Energy Standing offer and the daily supply charge is the same as the Click Energy Standing offer for this distribution area.
<b>Price Variations</b>	
These residential tariff(s) can change from time to time, if these do change you will be notified of the change and the effective date of variation on your next bill.
