

# DC Power Plus – Electricity

## **DC Power Co and Powershop bring you this offer.**

DC Power Co has teamed up with Powershop to combine our leading solar service with Powershop's 100% carbon offset energy. Powershop is the authorised energy retailer for this DC Power Plus plan.

### **About DC Power Co**

DC Power Co is made for solar households. Our personalised service is designed to help Australians move to renewables in the home and get the most value out of their solar system when they do. We want to help you buy less, not more, electricity.

### **About Powershop**

Powershop sell energy to businesses and homes in Victoria, NSW, South East QLD and South Australia. They work super hard to provide competitive prices, a fairer deal for customers, and a better future for the planet.

## **WHAT YOU'LL GET**

### **Solar Alert to give you confidence your solar is working.**

You'll be alerted via SMS when your solar exports

look unusually low, so you can feel confident you're not buying electricity when you don't need to. Only available to customers with smart meters.

### **Personalised advice to make sure you maximise your solar savings.**

There is no issue too big or small when it comes to reducing your bill. With DC Power Co's suite of solar services, you can be sure you'll have all the information you need to make the right decisions about your solar. Only available to customers with smart meters.

### **Great solar battery and panel offers tailored to your needs.**

Get advice on when it's right for you to get a battery or a solar upgrade. You'll have first access to DC Power Co's solar products, including our game-changing DC Sunny Saver battery package.

### **100% carbon offset energy by Powershop.**

We like to do things differently here at DC Power Co. By partnering with energy retailer Powershop, we can offer you a competitive price and 100% carbon offset energy.
