## Discounts and incentives

### Incentives

#### Solar feed-in tariffs

The feed-in tariff component of this offer commences once the solar meter has been connected to the grid. During the benefit period you'll receive a total feed-in tariff of 12 cents per kWh for every kWh of electricity exported to the grid.

#### Solar feed-in tariffs

The 12 cents per kWh is made up of our standard retailer feed-in tariff of 6.7 cents per kWh and an additional feed-in tariff of 5.3 cents per kWh.

#### Solar feed-in tariffs

The Terms and Conditions for Feed-in Tariffs – Victoria' applies to both the additional feed-in tariff and standard retailer tariff. When the benefit period ends you'll receive our standard retailer feed-in tariff available at the time your

#### Solar feed-in tariffs

period ends as published on our website. Origin offers a standard retailer feed-in tariff of 6.7 cents per kWh exported which is subject to change at any time. All amounts are GST-inclusive (if any)

#### Origin Go Zero

If you take up Origin Go Zero, we will offset 100% of the greenhouse gas emissions from your electricity or gas supply through Climate Active, a government-backed carbon neutral certification scheme. The cost is \$1.50 per week.

## Contract details

<b>Contract term</b>	No contract term
<b>Cooling off period</b>	10 business days
<b>Eligibility criteria</b>	To be eligible for this offer you must purchase an eligible solar system from Origin. Your solar system must be net metered & you must not be receiving a FIT under any Govt scheme. If you remove your solar system during the benefit period the offer will continue but you won't receive the FIT.
<b>Prices are not fixed</b>	We may vary the Charges (including their amount, nature and structure) by notice to you at any time. The notice will be at least 5 business days prior to the effective date of the variation.
<b>Contract expiry details</b>	Ongoing contract which continues until you or we end it. The benefit period is 24 months.
<b>Full terms and conditions</b>	Not available all areas or for new properties being connected for the first time. For residential customers only. When the benefit period ends we'll still supply you with energy under our contract. We may extend your Energy Plan or set you up with a new one, but only if we've written to you first & you haven't told us not to.
